

Associate Project Manager

Level 4

18 Months Total Programme
Length

Apprenticeship Overview

In their daily work, associate project managers deliver oversight and direction in a variety of projects and settings. They will interact with a range of internal stakeholders, including members of their own team and other departments such as IT, legal, finance, HR or senior management. They can also interact with a range of external stakeholders.

This apprenticeship programme has been crafted to develop associate project managers within their role, enabling them to manage projects of varying magnitudes and sectors, demonstrate strong planning skills, show strategic leadership, and engage in transparent communication.

This programme will equip apprentices with a complete skill set, enhanced confidence, and the expertise necessary to navigate and deliver complex projects effectively.
